

Butte County CTE Culinary Academy

Program Information Sheet for 2019-2020

Program Description

This 30-hour, two-week program prepares students to get an entry-level job in the culinary industry. Students will gain experience in a commercial kitchen, helping them build the job skills necessary for working in both the Front of House and Back of House environments.

In addition, students will gain instruction in the information needed to pass the California Food Handler's test and gain their Food Handler's card.

- » Students must be age 18 or older
- » Applications accepted at the Butte County CTE office
- » Program fee is due before you begin class

Instructors Erik and Paul Lema of
Italian Guy's Catering

This program may be for you if you:

- Enjoy a kitchen environment
- Like working with your hands
- Are eager to get your career started in less than a month
