

# Butte County ROP Dental Specialty Courses

## Program Information Sheet for 2023-2024

- » Are you **currently employed in a dental office** and would like to become a **Registered Dental Assistant**?
- » Do you want to take classes that will provide you with the **certificates** required to apply to the Dental Board to take the RDA exam?
- » And...do you want to take classes that will **train you** how to do procedures?

Butte County CTE offers a variety of Dental Specialty Courses throughout through its School of ROP. These board-approved courses are a combination of lecture, laboratory and clinical patient sessions designed specifically for dental auxiliaries.

Classes range from single-day sessions to multiple class days, with most taking place on the weekend.

- **\*Participants must be 18 years of age or older and have a high school diploma or equivalent,** except for Infection Control/DPA.
- Registrants **must hold a CPR/BLS certificate** (certificate **must be AHA/ARC approved and have an AHA or ARC logo**).
- **Participants must be currently employed in a Dental Office.**
- Other certificates may be required; see course descriptions below for more details.
