

Butte County CTE Student Health Questionnaire Self-Assessment

Dear Student,

Please use these questions to self-assess your health prior to attending class each day.

If you answer "Yes" to ANY of these questions before the start of class, you will not be able to attend class in person. Contact your instructor to determine when you may return.

If you answer "No" to all of these questions, you may attend class after having your temperature taken by staff. (Temperature must be below 100 degrees Fahrenheit to attend.) Notify your instructor immediately if your health status changes during class.

Instructor Phone Number: _____

Questions

1. Have you had any of the following symptoms in the last 14 days: Sore throat, cough, chills, headache, body aches for unknown reasons, shortness of breath for unknown reasons, loss of smell, loss of taste, and/or fever at or greater than 100 degrees Fahrenheit?
2. Have you, or anyone in your household, tested positive for COVID-19 in the last 14 days?
3. Have you been in close contact* with any individual who has tested positive for COVID-19 in the last 14 days?

**Close contact includes the following: being within 6 feet of a person for 15 minutes or more; direct physical contact, such as hugging or kissing; or contact with respiratory secretions, such as a cough or sneeze close to you.*

For more information about COVID-19 and local Public Health resources, please visit our web page at cte.bcoe.org/covid-resources.

You can also go to our website, select the "For Students" tab, and click on "COVID Resources."
